Faye,
It was fun knowing you for the past 3 or 4 yrs. But this year I have gotten to know you better in General Music and at Lunch. I think you deserve the best in life, maybe we can take a trip to Tauser or maybe even Hot Springs this summer when daddy goes down looking cars. I think you are a precious kid and remember me as a crazy nut!!!

P.S. Thanks for all of Love Always,
our trips to "Tool In Brenda
Tell it" Thank goodness. "Kelly"
we didn't get caught skipping!!!!

Faye,
It has been fun knowing you this past year. Lots of luck in the years to come. Don't forget our trips to "Toot and Tell It". And home room period. I think you ~~and~~ are a sweet girl and you have a wonderful personality.

A friend,
Paula (JONES)

Best wishes always to a
good girl. Be good in years
to come and may your

Class Poem

To our principal and teachers dear,
we give our thanks today,
For all their help and guidance,
down education's pathway.

To our parents, one and all,
we wish to thank you, too.
Without your love and understanding,
we would not have made it through.

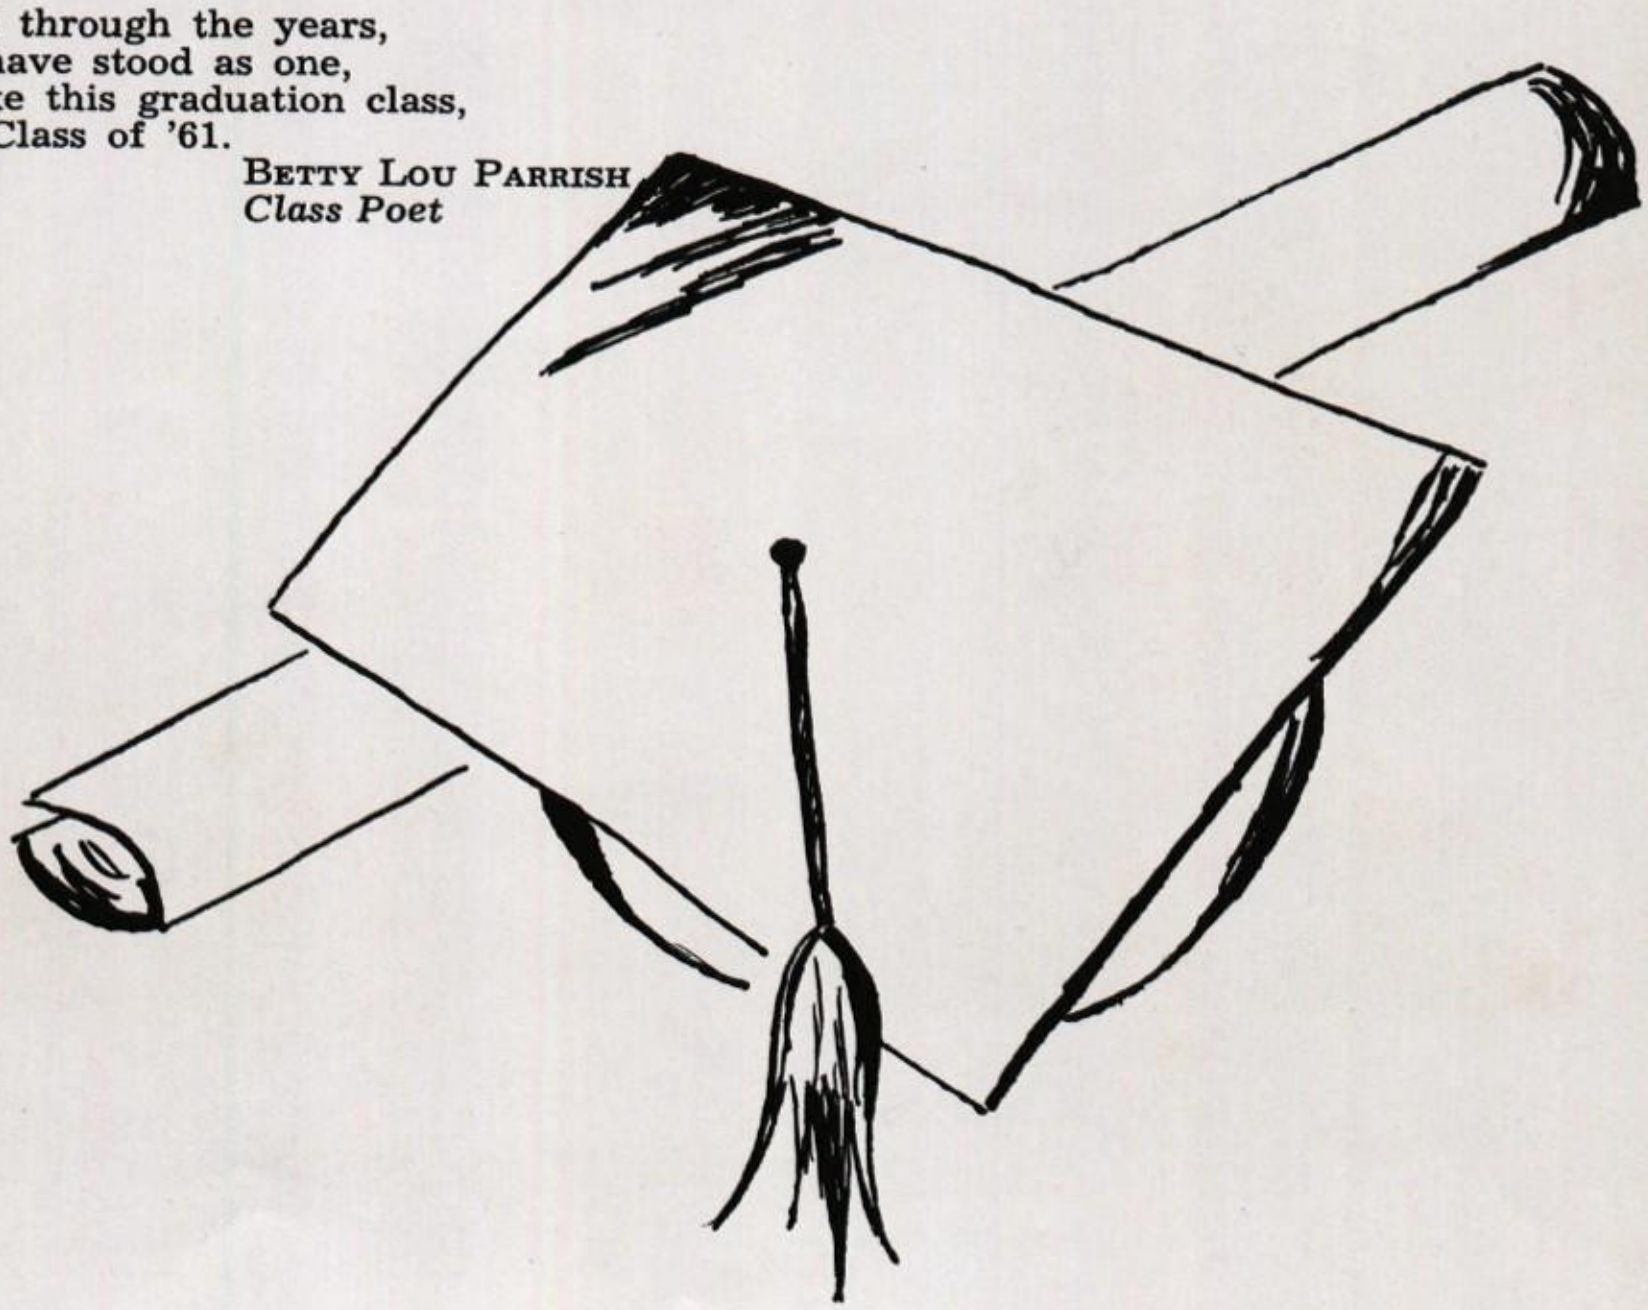
Regretfully, we have to say good-bye
to all our fun-filled years,
But we shall hold each memory
as treasured souvenirs.

Friendships we shall treasure,
the many that we have made,
Hoping they will continue,
and the closeness never fade.

These things we shall remember,
as we sadly depart,
Having happy thoughts of school
held within our hearts.

For all through the years,
we have stood as one,
to make this graduation class,
the Class of '61.

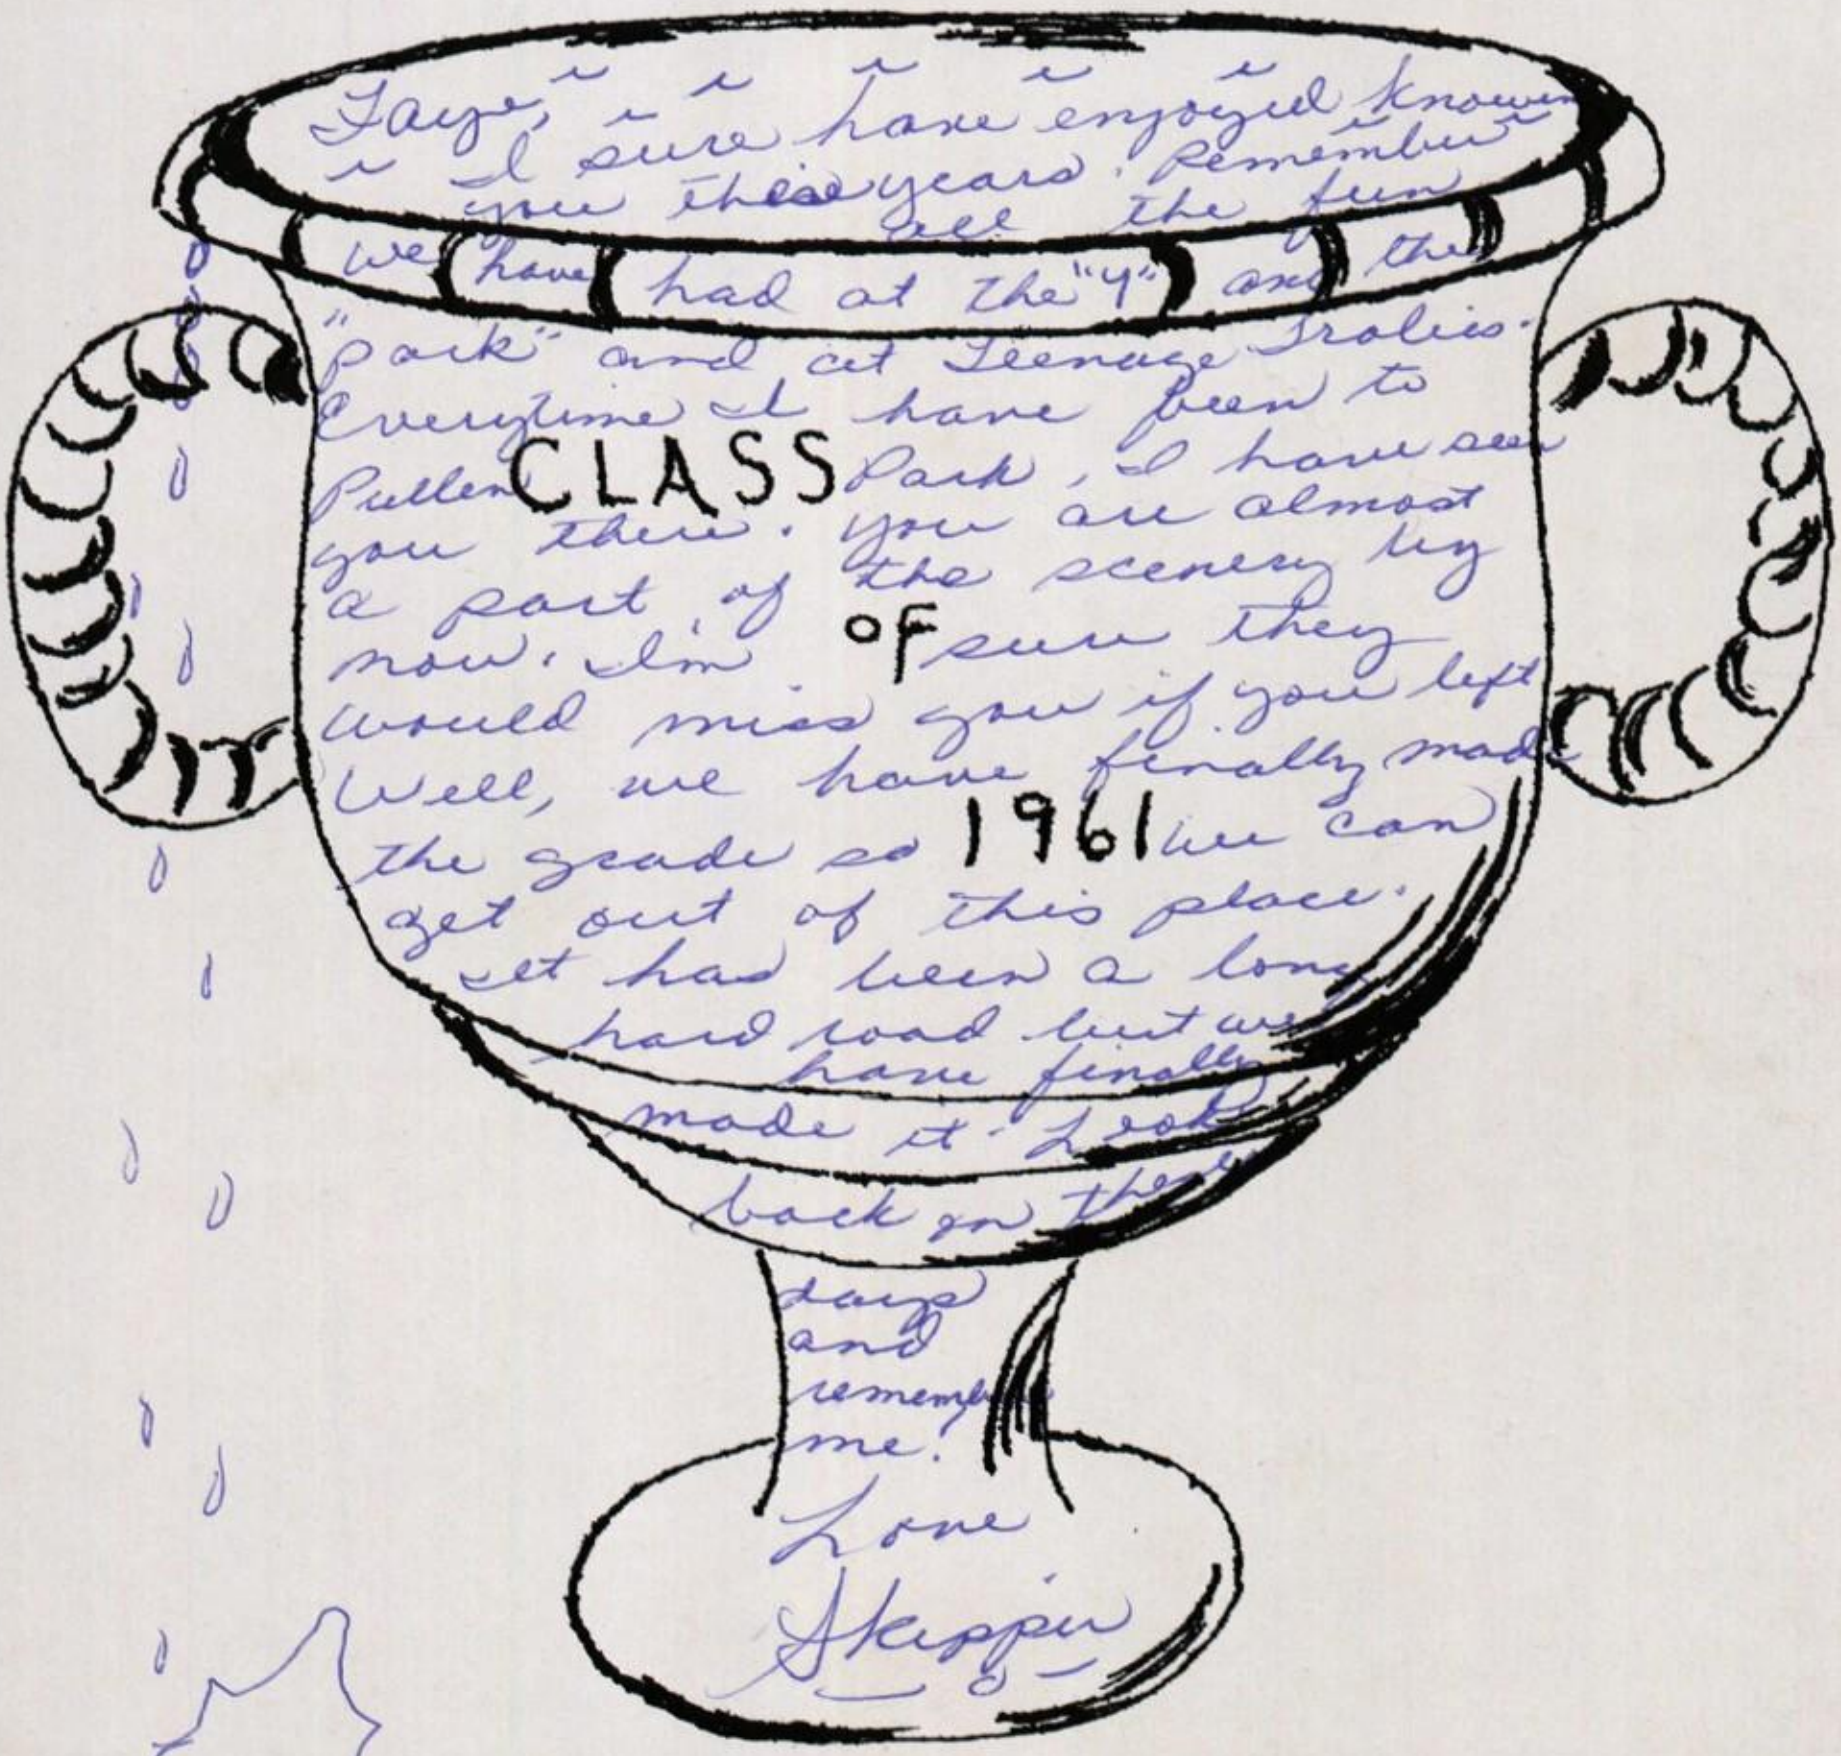
BETTY LOU PARRISH
Class Poet



Mascots

SHARON KAY TAYLOR **GERRY WAYNE OVERTON**

For their cute ways, unhesitating performance, and sweet smiles. . . .



Faye
I sure have enjoyed knowing you these years. Remember all the fun we have had at the "Y" and the "park" and at Teenage Frolics. Everytime I have been to Pullen Park, I have seen you there. You are almost a part of the scenery by now. Im sure they would miss you if you left. Well, we have finally made the grade so 1961 we can get out of this place. It had been a long hard road but we have finally made it. Look back on these days and remember me.

"Work and worry! What's your hurry? We've got to get an annual in!" This has been the cry of the L'ECOLE staff this year. Deciding what should go in, what should be left out, where and how to place each article, selling ads, taking pictures, typing up copy, and rushing to meet deadlines and obligations have only ben a part of the numerous headaches the L'ECOLE has presented. Working on the L'ECOLE has not all been hard work, however, it's been great fun, too. The myriad of things we've learned! Much reflecting has been done, and perhaps you will agree in saying that many of our fondest memories will be composed of our years at G.H.S.

ISLE OF (-)APPINESS

Each year the thoughts of everyone keep running forward to the spring, and the biggest event of the social year, the Junior-Senior Prom. This is the one time in the year when the underclassmen say a sort of "fond farewell" to the Seniors.

It is also a time when the Juniors do their best to out-do the Seniors by trying to put on a better prom than the year before. So on April 29, 1960, the Class of '61 bade their farewell to the Class of '60 in their presentation of the "Isle of Happiness." It was a big moment in the lives of the Junior class as they saw a beautiful end to all their efforts of that year. It was also a "good-bye" that will long be remembered by the Seniors of '60.

This year's best yearbooks

. . . are produced at Edwards & Broughton. Since 1902 we have had quality as our first concern in the production of letterpress and lithographed annuals. Our new large plant and our recently acquired equipment enables us to do an even better job without losing our personal touch. You can be truly proud of your annual . . . if it was produced by Edwards & Broughton.

Faye,

It's been fun being in music with you. Good luck in the future.

Faye Barbour

Faye,

I have truly enjoyed having you as a friend for many years. I shall never forget the many good times. Best wishes to a very sweet person.

Love
Pat

Faye,

Even though you're leaving us soon I'm sure you'll be remembered long afterwards. I'll always remember the "weird" music that Mr. Johnson played 2nd period! HA Also, that Home Economics class. The cooking, sewing, and all that lot. We had a pretty good time though and tomorrow we'll live it up in 4th period, hey? Be good and the best of everything and real likeable gal!!

Love ya,
Rose

Faye, I am very happy that you are finishing school. You are a very beautiful boy. I love you very much. I hope you make it. I'll beat you don't. (HA HA)

Faye,

I think you've finally made it. If you weren't such a damn idiot you could have done it last year, but look who's talking?

We're naturally going to raise hell from now on. Seriously I'm really proud of you because I think you've got something to show for the last twelve years. I only wish I were graduating with you, then maybe Judy and I could have a better understanding. Faye and all that shit. But you're tough and you'll have that.

Don't Dad

without Mom + Dad remember

nothing. Just remember

Raise Hell

Have Fun

And

Don't Sweat It

Love

Louis
